Pre-Survey Questions

1. In your experience as a business leader, how prepared do you think students leaving high school today are in terms of having the necessary skills and competencies they need to succeed in college and the workplace?
2. Most states, including New York, have adopted the Common Core college and career ready standards in English and Math. New York's version is known as the New York State P-12 Common Core Learning Standards. How familiar are you with these standards?

Pre Survey Questions (cont)

3. Based on what you know about the Common Core, what is your impression?
4. Do you feel that it is important that the business community have a voice in the public dialogue about K12 education standards and what it means to be college and career ready?
